## National President's Message

Dear JCI Members,

I am so happy to see the Challenge Editorial Board putting their best efforts possible for publishing challenge..My best wishes to the entire editorial board.

I am extremely delighted that LOM Presidents are putting their best efforts by doing various projects and activities and especially the Impact 2030 projects.This is my sincere request to all the LOM Presidents to do minimum 02 Impact 2030 projects and also ensure to send your reports back to JCI India which will help JCI India to keep the track of your projects and it will also help us to upload your projects on JCI project gallery.

Compliments to all the 05 Executive Vice Presidents for successfully completing their first half visit.They really created lasting impact during their visits.

It was great delight to have our JCI Vice President Jc. Rochele Borton on her official visit to India and it was real honour for our members to Interact with her.

Keep enjoying this wonderful organization with your active involvement in each and every project of your LOM as that will help you to come more closer in understanding our organization and I am sure more you will involve yourself,you will start falling in love with our organization.

My sincere appeal to LOM Presidents, ZGB Members and all the members to register for World Congress at the earliest on [www.jciindia.in](http://www.jciindia.in) and be a proud delegate on behalf of JCI India.Dates for World Congress are from October 30th to November 3rd at Goa, so before you miss the bus register now.

**Enjoy your Journey as a member of JCI India.**

*Let the Change Begins with Me..*

**Jc. Arpit Hathi**

2018 National President JCI India

## Chairman, Challenge Editorial Board

Dear Fellow Jaycee Members,

Greetings from Jc Siddu...

JCI India has been marching ahead with grand triumphs thanks to all the LOM presidents and leaders. We had an extravagant NEC and NGB at GOA and we witnessed exquisite preparations and venues of world congress 2018. Let us register in maximum numbers at world congress. This is once in a lifetime opportunity in none's a active jaycee carrier. NTTTS north as well as south were grand success and congratulations to host, chairmen as well as all provisional national trainers of 2018. We also witnessed grand celebrations of Lady Jaycee week. This is the momentum that we need to keep up and march ahead to the horizon of success. This issue of news letter covers grand programs covered by LOMs throughout India and this is where JCI stands with services in different ethnicity, facilitated by youth.

I am very much delighted with the guidance and support provided from our National president JCI Sen. Arpit Hathi and all NGB members, also the challenge editorial board needs to be congratulated for efforts in bringing out excellent issues now and then.

Regards,

**Jc. Siddu** - Chairman, Challenge Editorial Board, JCI India

Warm Greetings and Best wishes from NHQ JCI India.

Following are some important information's for you.

**Benedict K.M.**

**Secretary General**

### OBITUARY

Wife of Past EVP Jc B. Jayarajan passed away recently.

We pray the Almighty God to give the family the strength and courage to bear this loss and may the departed soul rest in peace.

What has been done to the Little angel of her Parents- Asifa--- has left me, like millions others, disturbed and agitated and frustrated and ashamed beyond words...

Na kabhi Integration kaam aya, na differentiation kaam aya...

Na Africa ke jungle ki geography kabhi kaam aai..

Na hi us falaana raja ke rajya ki history kabhi kaam aai...

Itna sab kuch padhane ki jagah, school me ek subject jo chote se hi padhana chahiye tha .... Zaroor se hona chahiye tha, wo hai-----

"Being Human"- "We are Humans"---- to constantly knock the human side of our mind and soul, to constantly nurture humanity, to constantly remind us of our ethics, to constantly help us in making a safer and loving society....To constantly remind that no religion is bigger than that of Humanity.

Today, we live under the clouds of "Horror".... Horror of any mishap when we send our kids out.... It becomes difficult for us, the parents, to decide whether to make our girls strong and bold and let them go out and face the world Or, .....Or to protect them, keep them protected In case any mishapening occurs while making them practice being bold.

Today, we have lost that Trust on fellow human beings, to accompany our kids.... In fact, we would feel safer sending our kid with our Dog, rather than a beast inside a human.

Today, we are more concerned about teaching them of their safety, worried always of their safety...Praying always of their safety.

Are we actually living in the era of Human beings... Humanity is diminishing at such pace that tomorrow seems a nightmare.

Intellectuals of our Education System need to work on the Roots. After all, for any healthy plant, the Roots need to be healthy first.

A worried Mom

## सफलता के लिए उठाना पड़ेगा रिस्क

**Hiren Acharya**

सफलता हमेशा मार्कशीट देखकर नहीं आती। लगातार मेहनत आपको खुद सफलता के शिखर तक पहुंचा देती है। हमें अक्सर सिर्फ Motivational Story ही पढ़ना अच्छा लगता है, लेकिन उसे अमल में लाने में आलस करते हैं। साथ ही हमें जल्दी सफलता चाहिए, लेकिन हम कोई रिस्क नहीं लेना चाहते। ऐसा क्यों, अगर हमें सफल होना है तो सबसे पहले हमें रिस्क लेना पड़ेगा। जब तक हम रिस्क नहीं लेंगे तब तक हम सफल कैसे होंगे। महान कवि हरिवंश राय बच्चन जी की एक कविता है, जिसमें उन्होंने सफलता के लिए संघर्ष करना बहुत खुबसूरत तरीके से बताया है।

तू न थकेगा कभी,

कर शपथ, कर शपथ, कर शपथ,

तू न रूकेगा कभी,

अग्निपथ, अग्निपथ, अग्निपथ।

तू न मुड़ेगा कभी,

हर व्यक्ति के पास सफल होने के लिए मास्टर प्लान होता है, लेकिन वह डर के कारण उस पर काम नहीं करता। साथ ही वह मास्टर प्लान किसी के साथ शेयर भी नहीं करता, ताकि कोई दूसरा सफल न हो जाए। ऐसा करके अगर वो सोचता है कि वो सही कर रहा है, तो उससे बड़ा मुर्ख कोई नहीं। सफल वही इंसान होता है तो रिस्क लेकर कुछ अलग करता है। आइए इस बारे में थोड़ा विस्तार से जानते हैं।

### सबसे जरूरी आत्मविश्वास

अगर आपको सफलता हासिल करनी है तो आपको अपना आत्मविश्वास बढ़ाना होगा, अगर आत्मविश्वास नहीं होगा तो आप रिस्क नहीं ले पायेंगे और जब आप रिस्क नहीं ले पायेंगे तब तक आप सफल भी नहीं हो पायेंगे। सफल लोगों में एक अलग ही आत्मविश्वास झलकता है। जाहिर है कि वे खुद में और जो कुछ भी वे करते हैं उसमें यकीन करते हैं। यह आत्मविश्वास उनमें सफल होने के बाद नहीं आया। यह उनमें पहले से ही था। आपके अंदर भी आत्मविश्वास है उसे जानो पहचानो और आगे बढ़ो। हमें रिस्क लेने से घबराना नहीं चाहिए। बल्कि पूरे आत्मविश्वास के साथ रिस्क लेकर सफलता के रास्ते में चलना चाहिए। इसी के बल पर आप सफलता हासिल कर सकते हैं।

### दिमाग की नही .... दिल की सुनो .....

जी हां, अगर आप दिमाग की सुनोगे तो आप कभी भी सही निर्णय नहीं ले पाओगे। ये हम नहीं कह रहे इसे वैज्ञानिकों ने प्रूफ किया है। जब हम दिल कि सुनते हैं तो हमारा निर्णय एकदम सही होता। दरअसल, जो हमारा मन चाहता है तो दिमाग नहीं चाहता लेकिन वो दिल चाहता है। सबसे जरूरी बात दिमाग कभी भी आपको रिस्क लेने के लिए 'हां' नहीं बोलेगा। वो इसलिए क्योंकि दिमाग को बहुत डर लगता है। दिमाग डरता है कि वो कहीं फेल न हो जाए। दिल ऐसा नहीं सोचता। दिल हमारे मन की सुनता है। इसलिए अगर आप सफल होना चाहते हैं तो दिमाग की नही बल्कि दिल की सुनो। दिल हमें सही रास्ता दिखाता है। रिस्क लेने में दिल कभी डरता नहीं। वो निडर है। आपको जब भी कोई बड़ा रिस्क लेना हो तो अपने दिल की सुनो।

### रिस्क लेने से पहले एक योजना बनाये

जब कभी भी आपको कोई बड़ा लक्ष्य तय करना हो तो इसके लिए सबसे पहले आपको एक अच्छी सी योजना बनानी होगी। जिस तरह से कोई भी लक्ष्य बिना Planning के पूरा नहीं हो सकता। उसी तरह रिस्क को भी एक योजना की जरूरत होती है। अगर आपने रिस्क ले लिया और इसकी कोई भी प्लानिंग नहीं की तो यह निश्चित है की आप Future में अपने लक्ष्य से भटक जायेंगे और आपका Main Target अधूरा रह जायेगा।

इसलिए सफलता के लिए यह बहुत जरूरी है की आप रिस्क लेने से पहले पूरी Planning बना लें और फिर अपने Goals को Achieve करने के लिए जी जान से जुट जाएँ। आपका जो भी लक्ष्य है उसे पाने के लिए आप एक निश्चित समय बना लें और यह तय कर लें की आपको उस समय तक अपने लक्ष्य को पा लेना है। सबसे जरूरी बात आपने अपने लक्ष्य को पाने के लिए रिस्क ले तो लिया, लेकिन अगर पूरी योजना के साथ मेहनत नहीं की तो सब बेकार है। इसलिए अगर आपका लक्ष्य बड़ा है तो उसे आप कई छोटे - छोटे भागों में बाँट सकते हैं। आप अपने समय का सदुपयोग करें, उसे बर्बाद न करें। इसके बाद सफलता आपके कदम चूमेगी।

### बड़े सपने देखें और लक्ष्य बनाये

अगर आप हर काम में सफलता पाना चाहते हैं तो आपको अपनी आदतों में कुछ बदलाव करने होंगे, जैसे आपको बड़े सपने देखने होंगे। सोते-सोते तो हर कोई सपने देख लेता है, जो लोग दिन में सपने देखते हैं और एक लक्ष्य बनाकर उसके लिए कड़ी मेहनत करते हैं वही सफल होते हैं। अब्दुल कलाम साहब कहते थे कि प्रत्येक व्यक्ति को बड़े सपने देखने चाहिए। जो लोग बड़े सपने नहीं देखते, वो बड़े बन भी नहीं सकते। इसलिए बड़े सपने देखो और बड़ा लक्ष्य बनाओ।

### समय की कीमत समझें

दुनिया में जितने भी सफल इंसान हैं उन सबके पास भी एक दिन में २४ घंटे ही होते हैं। वो इन्हीं २४ घंटों का सही इस्तेमाल करके सफल हुए हैं दरअसल ये लोग समय की कीमत समझते थे, इन्होंने कभी भी अपने समय को बर्बाद नहीं किया। अगर आपको भी सफल होना है तो फालतू समय न बर्बाद करें। संसार की सबसे मूल्यवान चीज हैं - समय। समय किसी के लिए भी नहीं रुकता। जो इस समय का सही उपयोग कर लेता है, वह सफल व्यक्ति है।

### लक्ष्य नहीं तरीका बदलो

कई लोग लक्ष्य बना लेते हैं, लेकिन सफलता न मिले पर लक्ष्य को बदल लेते हैं, ऐसा नहीं करना चाहिए। अगर आपको सफलता नहीं मिल रही है, तो अपने लक्ष्य को नहीं बल्कि अपने तरीके को बदलें। जी हाँ, यदि कोई कार्य कठिन है और आप उस कार्य को करने में बार-बार असफल हो रहे हैं तो कार्य को मत छोड़िये बल्कि उस कार्य को करने का तरीका बदल लीजिए। आप सफल हो जायेंगे।

### कठिन कार्यों को न टालें

हर किसी के Life में कठिनाइयाँ आती हैं, लेकिन कुछ लोग इसका जमकर सामना करते हैं और कुछ लोग इसे टाल देते हैं। जिंदगी को आसान बनाने के लिए कठिन कार्यों को टालो मत, बल्कि कठिन कार्यों का जमकर सामना करो और अपनी Life को आसान बना लो। क्योंकि कार्यों को पूरा करने से जीवन आसान होता है, न कि टालते रहने से।
